RLT -

On Tuesday, June 10, Administrator McCarthy will be keynoting the Western Governors' Association Annual Meeting in Colorado Springs, CO).

In preparation for this meeting, **please make send your Hot Topics (all states except UT as we just gathered UT hot topics so I think we are good there unless there is something new) by COB, May 27<sup>th</sup>.** Please check in with your ARA/DARA to ensure that they are in the loop on the hot topics you submit. As usual, make sure that these topics are as short as possible.

Below are the hot topics that we had gathered as of 3/17 for the NGA. These are the actual format that HQ presented to the Administrator so you can see that there is not a lot of detail. **Please let us know which of these topics we should keep, update or eliminate as well as providing us any new issues. (We have not updated UT in this list yet; Gerard will review the recent UT materials and make updates to those issues).**

Thank you and sorry for the short notice.
